I've never been one to let an opportunity slip away

wild expectations
lucky me, again

My ex-wife just turned forty a few weeks ago but we had lost our sexual passion several years ago and got divorced, but our kids have kept us together. And those same kids have been the source of good times and great times. Our nineteen year old daughter, Carynn, was home for her summer vacation from college. So was our neighbor's daughter, Sara, and their BFF Norrie. The three went to the same college and were also best of friends having grown up together.

Tonight Sara and Norrie were sleeping over, something the two of them do often. Once at our house, the next at Sara's, and then Norrie's. Personally, I don't think they're gay with each other, but I choose not to ask. We had a nice dinner and now, unable to sleep, about midnight, I came downstairs to clean up. As I was putting a half-empty bottle of wine back into the fridge, Sara walked in with some of the juice glasses the girls had used earlier. Putting them into the sink and saying hello to me, she took another glass and poured some wine into it. "Sara, isn't it kinda late for that?" I asked her.

Sara was hot. At five foot five inches, this twenty-year-old had dyed her dark hair lighter and her pearly white skin glowed in the low kitchen light. Her breasts were full enough and I found myself staring.
"This glass is for you," Sara replied.

"I've had too much already tonight. That's probably why I can't sleep." I told her.

"I know, I couldn't sleep either, Norrie is out like a light," she said. "Barry, I've been wanting to ask you some things, so are you drunk enough to answer my questions truthfully?" she asked.

"Just don't ask something you really don't want to know the truth about." I said.

"Have you and Norrie gotten together?" she asked without hesitation.

"Do you mean, have we fucked? No but, OK, I kissed her. But you can't tell anyone. I could get in a lot of trouble."

"I know she wants you. Even though she hasn't come right out and said it to me, I know Norrie and I know she would like you to fuck her." Sara said. "She's been frustrated ever since her boyfriend split with her and she'll stay frustrated rather than confess she's interested in having sex again." she confessed. "Take another drink, Barry. Drink up."

As a freshly poured glass touched my lips, I saw Sara tip the bottle up for a quick sip. I gulped mine down. "Are you joining me now?" She poured me another. "I think you're way ahead of me."

"OK, I think I'll probably tell you the truth now. What do you really want to know?" I asked.

"What did you do with Norrie?" Sara asked again.

"It's a secret," I whispered. Sara stepped up close to me and put her mouth next to my ear. "

What's a secret?" she whispered back.

"That I fucked her, but she made me promise not to tell anyone, especially you. I wasn't supposed to tell." I mumbled. "Oh well. You won't tell will you?"

"Did you enjoy it Barry? Did you enjoy fucking my best friend, you asshole?" she asked with a tone of anger in her voice. But I let the anger just slide on over me.

"Oh yes, she was... wonderful. Yes I did enjoy it. You know, she wants to wake up with me in bed with her, so we can enjoy each other again. Do you think I should? Would you mind if I fucked her again?"

With her voice back down to a whisper and her mouth next to my ear she says. "We'll talk about that later."

Sara's fingers started roaming across my arms and it began to have an effect on me. I was starting to get turned on by it all. Her other hand was gently rubbing across my stomach in small little circles.

"So what do you think about fucking roommates?" she asked, as she let her fingers glide down across my limp member, urging it into new life.

"We could fix that, but only if you don't tell anybody." I offered. She took another quick drink of wine from the bottle, grabbed my hand and dragged me along. Without trying to be quiet she opened the guest bedroom door and pulled me in, shutting the door behind us. "Norrie is in here," I said.

"She always takes a sleeping pill. Add in the wine from earlier tonight and she'll be asleep all night long. Now get off what little clothes you have left and get in bed." Sara demanded. I couldn't believe what I was hearing from this little sexpot. Being too drunk to protest too much, I did as she directed and got on my back next to her sleeping roomie. Sara threw off the covers and knelt between my legs and took my semi-hard shaft into her mouth. I

t only took me a few seconds to realize Sara was no slouch at this. As she sucked my dick, she slid her tongue up and down the underside of my shaft. Sometimes she would scrape her teeth from top to bottom and back, ending with a hard suck on the head of my penis while she stroked me with her hand. It wasn't too many minutes before I realized that she was intending on taking me all the way like this. "If you keep this up and I won't be able to hold it." I said.

Pulling off long enough to talk she said, "I don't want you to hold it. Just let it cum Barry." She began to deep throat me to the point of no return. I grabbed her head with my hands and held her down on me. I only gave her three bursts but it felt wonderful.

I could only imagine what it would be like if I had a full load of cum to give her. I let her head go free. That was incredible. She sat up and smiled at me, wiping off some cum that oozed out of her mouth.
"Your turn," she said as she swapped places with me.

She was beautiful naked. I leaned down and kissed Sara on the mouth. I could taste the salty-sweet flavor of my cum mixed in with the wine smll, even more so when Sara pushed her tongue across my lower lip. I sucked on it as she toyed with me, moving her tongue in and out of my mouth in a mock fucking manner. Kissing my way down her neck and chest, I made my way to her breasts. Her nipples were firm but not hard yet. I would see they got that way later when I fucked her.

Moving downward, my kisses came to her silky patch. As I licked and kissed all around her pussy, I stroked the insides of her thighs with my fingernails. I wet my middle finger and

without stopping my licking of her pussy, slipped my finger into her hole. She was wet and didn't need anything extra from me. Curling my finger up and back, I massaged the inside of her vagina for a couple of minutes. She continued to moan and plead for more. I took two fingers and began to push it in and out, just like I was fucking her. She had her hands all over me while she rocked her hips in time with my hand movements.

"I'm cumming," she exclaimed, arching her back as her orgasm swept over her. I halted my hand motions and pulled my fingers out of her pussy. But a moment later I replaced it with my hard shaft. Sara muffled her yell as I entered her pussy and pounded her hard for several minutes. Nearly out of breath, I leaned down so that my body rested on her chest, rocking my hips as fast as I could. Sara gripped my arms with her hands as I brought her to another climax just in time for my own. After catching our breath, I slid out and rolled onto my back, now caught between her and her sleeping friend.

I must have fallen asleep as I don't remember anything else until I woke up on my right side, curled up behind Norrie. I turned my head and saw that Sara was snuggled up against my back, sound asleep. I truly was caught between two beautiful females. It was kind of a turn on and my body responded. I slipped my hand underneath Norrie's t-shirt and began to gently massage her breasts. I rotated my hips, gently guiding my erection between her legs. Still asleep, she rolled slightly away from me, more onto her stomach. I took this opportunity and rolled with her onto my knees, spreading her legs apart. I reached around her and with one hand pulled her panties down while the other guided my cock into her pussy. It only took a couple of thrusts to wake her up. I guess the sleeping pills and wine had worn off.

She was still tipped slightly to one side so she didn't notice her nude sleeping roomie in bed with us. "So you came," she said, sounding pleasantly surprised. "Not yet," I replied jokingly, "but soon." While I fucked her from behind, I reached around and stroked her clit. I kept this up for a few minutes. "Oh Barry, fuck me baby, fuck me hard." And I did.

"You are so fucking hot. I can't think of anything I would rather do than fuck you. Well except maybe one thing." I whispered.

"What would you rather do than fuck me?" she cooed.

"Fuck you with Sara in bed with us. Turn to your right," I directed her, not slowing down my thrusting.

"I'm cumming. Pound me, you son-of-a-bitch." she said. I took both hands and grabbed her hips tight. As I thrust forward, I pulled her back into me, my stomach pounding hard against her ass cheeks. When I felt her pussy walls grip down on me, I pushed in hard one last time and delivered a full load of cum somewhere deep in her pussy.

I don't know when Sara woke up but she was staring at us. She got up, grabbed her panties off the floor and left, shutting the door behind her. "She saw us. Wasn't she asleep when you came in?" asked Norrie.

"Yes, she was." I lied. "I tried not to wake her but you are just too much for me to be quiet like that. Sara told me last night that you and Jake have split. All I have to say is that man was a fool to let someone like you out of his bed." I added.

"Oh, you're so nice," Norrie said and followed by kissing me on the mouth. I grabbed my pajama bottoms and headed downstairs to get dressed. I then cooked up a big breakfast for everyone before the day got any older. Now please don't be judgemental. I'm sure any man who's been without their spouse for years and thrust into a scene like this would most probably do the same thing. And if not, they would just dream about it.

I dream of you watching me fuck and suck someone. I bet you get hard just thinking it. Then you would have to do something about it and I would be there just to help you. I would take your hand away from your cock and replace it with mine, and then with my mouth, and then with my pussy. And your huge cock would be deep inside me and I'd be screaming to make me cum, and you did.

Alison Tyler

You know, no one has ever asked me about my cute little ass, but I know they all talk about it. As long as I can remember, I've had a pretty round rump. It filled out a pair of pants nicely. But naked, it's really very nice. Even I think so. But no one has ever been in there - yet. In the meantime, my wet mouth and warm pussy welcome a nice hard cock. Much like one I'm having here today.

FUCK ME LIKE YOU LOVE ME
800-915-4674
MUST BE 18+

IF A PICTURE IS WORTH A THOUSAND WORDS, HOW MUCH IS A FUCK WORTH?

Meeting people of the opposite sex can be very trying and difficult. But for some it comes easy while others are always sent home alone. There are bars, coffee shops, supermarkets, etc. All good places, but I've got mine!

I'm a huge fan of both the Old Masters and the Impressionists. Anything pre-WWI. I've done all the major museums from Paris to Los Angeles. They always seem to be full of nubile art students trying to emulate the masterpieces on the wall. Just like the paintings, I have been able to mount some of the prettier ones. I do not go to museums specifically to meet chicks, I really do love the art. I often will sketch one and go back home and redo it. I'm not a forger. As a matter of fact, I change things quite a bit so there is no misunderstanding.

I was standing in front of the craziest painting in the Chicago Art Institute museum using the most obvious opening line, and as often happens it got me a response… 'Now what the devil do you suppose it means?'... this time, from a girl of about twenty or so who was standing next to me scribbling in an unruled spiral notebook. She was pretty, all right. I'd checked her out from the corner of my eye while she wandered across the gallery towards this painting. She wore a dark tank top underneath a striped open shirt, and black leggings that showed off her legs down to her cute Aussie boots. It's funny how being close sometimes make me want to see immediately what they look like under all those clothes.

To my surprise, she replied, "Well, that's what I'm supposed to figure out this weekend – what the painting means." She scrawled a couple of more lines in her notebook and shaded the area. I looked back at the abstract monstrosity.

"I think it means rebirth. you know, coming out of the womb. I read somewhere that the museum paid a ridiculous sum for it… thousands for each of those wiggly streaks." I mused.

BLAIR-NTS-09

She laughed but frowned at the same time. I liked her smile, the bright white teeth between her full red lips, and the frown was kind of sexy too. “You sound so cynical,” she said. “I bet this picture means a whole bunch of other things you’re afraid to think about!” So she was cheeky, too!

Not losing a beat, I said, “I’ll have you know that I’m a bit of an expert on art. I sketch in my spirit time.” I gave her a big wink. She rolled her eyes and sighed and her tank top-enclosed breasts rose in exasperation. She looked at me for a long silent moment, then burst out laughing. “

“You’re pretty art-snobby.” she said as she wink-smiled at me.

I went right for it. “Come over to my studio and I’ll show you my sketch methods, but first you have to let me see your photo ID.” I smirked back.

“What?” she said. She folded one arm under her pert rack and held out her other hand for mine. “First, your ID buddy?” This was turning into the toughest pickup ever. But what the hell. I gave her my driver’s license, which she studied carefully. Then, as if a light went on, “You’re Benny Dee!” she squealed. “The art critic.”

“Guilty.” I said. “Obviously you’ve heard of me, read my critiques, or think my name is funny.”

“All of the above!” she said and smiled big at me as she returned my ID. She told me her name was Shauna. “You said that you paint, also. Where do you do that? Do you have a studio?” As we grabbed a cab to my place on the near west side, we giggled and laughed and swore a lot. We exited the cab and went up a freight elevator to my loft.”This is soooo cooool!” she said as she dropped her shoulder bag on the chair. “Where are all the ‘sketches’ you want to show me?

“Well, let’s start with my sketch tool,” I said winking again. “Let me guess Benny. It’s about 8 inches long and pink – or flesh toned?”

Without a word, she looked me right in the eyes and took off the striped big shirt, then the tank top. Then she rolled down the leggings and slid them down to her uggly boots. She plunked down on a nearby chair and sticking her feet out at me, I bent over and pulled off each boot with exaggerated slowness and then she was barefoot. She wiggled her toes at me, flexed them and then stood up.

“Okay Rembrandt, (I loved the Old Master reference!) show me that sketch tool. I don’t have all day, I have to go back to the museum and make my notes. So disrobe, now!” she demanded.

I quickly obliged and dropped everything on the floor in front of me. “Your sketch tool looks ready to go to work,” she said pointing at it. Then moving close and taking it in her hand, she rubbed and swirled her fingers over it then cupped my balls as she got on her knees and took it in her mouth. I watched her head bob up and down as she did a great job on my... er... sketch tool. “Let’s get more comfortable, Shauna.” I said leading her to the bed. We fell onto the bed and kissed.

It was hard to pull myself away from her amazing boobs, but the lush aroma between her legs got me going and I found myself between her knees licking and outrageously juicy pussy. I focused on her clit with my very skillful style and she was as melted butter under my tongue. She lifted up her pelvis and crammed it into my face. I licked her faster and faster. After long minutes of licking, she was ready for my cock, which was clearly on her mind!

I straightened up and put my dick inside her. She clapped her legs around me and pulled me in close. Looking down I thought she was gorgeous: gorgeous as a girl, and gorgeous as a girl being fucked. Her nipples were like little stones. I wanted to suck them again but I couldn’t reach them while fucking her. After a while she got on her knees and asked me if I liked the view. “Nothing in that damn museum is worth this view, dear lady.” I said putting my cock in her wet hole and riding her fast and hard, squeezing her ass cheeks with my hands. My cock slid with slippery ease back-and-forth in her wetness.

I was banging her so hard from behind until finally she was gasping and squirming out her orgasm. As for me, I couldn’t hold off a moment more. I pulled out my cock and she did a quick 180 so that her face was in front of my cock. I held it over her face just as the creamy ropes of sperm blasted out in wavy patterns all over her open lips and hungry tongue.

We laid in bed for another half hour discussing everything from penises to Picasso. She proved to be quite the student of art and I think I impressed her with my knowledge, too. As I was detailing my trip to the Louvre, she slid down my body and took my semi-erect cock in her mouth and started up again. In no time, she pivoted on my cock and slung her body over me in a sixty-nine – shutting me up!

Cum over to the Dark Side!

I used to be a cheerleader in college. My favorite cheers were for the basketball team. Footballers played outside in the cold and we had to dress warm. In the gym, we had skimpy outfits that were a turn on for the team and fans. My fantasy was to fuck all five guys at one time, but four's not bad!

THIS WAS QUITE AN EXPERIENCE!
